TravelMembershipClub.com is a private membership club that offers exclusive members only discounts not available to the public on hotels, resorts, cruises, car rentals, airfare, vacation packages, activities and more! You will have access to over 60,000 hotels across thousands of cities. There are many 4 and 5 star hotels where you will save over \$100 per night. Membership allows access to the members only booking portal where prices are guaranteed to be lower than found on other travel sites by up to 60% off hotels, plus up to 40% off cruises, up to 20% off car rentals, and discounts on airfare, resorts, vacation packages, activities, theme parks, attractions, tours, golf, restaurants, dinner shows, theater, concerts, city pass, sporting events, watersports and more! All reservations are booked directly through the membership portal with instant confirmation. TravelMembershipClub.com offers the lowest rates not available to the public because they do not mark up the rates from suppliers and make no profit when you book. Membership can be used 365 days a year with no blackout dates. Your personal membership is valid for one year from the issue date, and you can also share your membership with family and friends for the 12 month period.
